All research/internship/UTA forms are found here:  
https://www.neuroscience.pitt.edu/programs/undergraduate-program/research-opportunities/research-forms.

Forms must be complete and signed by you, your mentor (and for First Research Authorization only- departmental authorizer) prior to submission.

Submit your completed forms as indicated below:

1st & Continuing Research/NROSCI 1901 Independent Study

Use the First Research Authorization Form when enrolling in research for credit with a lab for the first time. Once approved, you can use the Continuing Research form to enroll in additional credits (up to 6) of NROSCI 1901 –Independent Study throughout your undergraduate career.

NROSCI 1961 Thesis Research

Use the Continuing Research Form to enroll in up to an additional 6 credits beyond Independent Study. Enrolling in NROSCI 1961 – Thesis Research does not require you write a thesis.

NROSCI 1097 Undergraduate Teaching Assistant

NROSCI 1900/1903 Internships

NROSCI 1962 – Thesis Writing form are emailed directly to Dr. McIlvried at LAM303@pitt.edu.

You will receive email confirmation once enrolled. If you are unsure if your credits went through or not, please check your registration in your student center prior to reaching out. Next, look at your form and ensure it is complete and has all signatures. Last, please email your advisor with any questions or concerns.
